

I am writing because of my concern that I won't be able to listen to Klove anymore. I've been giving monthly support to klove every since I gave my life to the lord. I listen to this station all day and it has given me a more positive look about hope and grown me as a christian to serve my community and church. If K-Love were to be displaced by an LPFM broadcaster providing other programming, there would be no other christian radio station to listen to and enjoy. I believe that KLove provides positive christian music to make this world a little bit better. Please don't take this radio station away!
